From Dan Gordon: President

- For FOB - we are planning to serve around 300 directors and staff.
 - If you have not signed up to donate for the Directors Lounge, please do
- We will be setting up on Friday night.
- Please sign up on the signup genius, so that we can plan for coverage.
- Please wear red shirts
- We will be giving each student 2 tickets for family members to come and enjoy the show.
- All band students must take a shift .
- We will not charge volunteers to come in.
- If Beta students come to help, we will need to sign off on their service hours.
- Students and volunteers that work more than 1 shift, will be given a meal voucher.
- Parking will be available for volunteers in front of the 9th grade campus.
- Voting for the new officers for 25. We will have to have a special meeting for nominations due to not meeting in October. Our nomination meeting will be 10/24th at 6:30 pm.
 - We are looking at 2 options for voting: On-line or in person.
 - Each student will have 2 votes.
 - This is due to in the past having 15 members of a family come to a meeting because it is a voting meeting. This keeps things fair.
 - We have to nominate people one month, and then elect them the following month.
 - Due to not having a December meeting, we will hold our elections in November.
 - The new officers will take their positions in January.
- Job descriptions for our officers can be found on our website.
- Positions of officers are President (Band Director communication), 1st Vice President (Festivals), 2nd Vice President (Concessions), Treasurer (Financials), Secretary (Meeting minutes and documentation).
- We are looking at amending our by-laws in January to run our Executive Board from July through June instead of calendar year.
- Lacy is helping to put together snack bags for our students for longer trips. If you know anyone that would like to help or donate, please reach out to her.
- Our semi truck is at Revolution Towing to look into what it will take to fix it.
 - We are looking to see if it will be cost effective to try to keep the truck running.
